

ECO SeaTile

Recycled Beauty for your Home

About EcoSea Tile

EcoSeaTile, as our name implies, began operations as a tile company in 2008, manufacturing unique handmade tiles from waste shells. Seeking to build on our experience with tiles, we created our line of SeaCoasters. Over the next several years we added a number of new gift and home accent products. Along the way, we have also expanded our pallet of recycled materials to include additional types of shells as well as various types of scrap metal. We've been amazed at the beauty we've found in very commonplace waste materials. With our commitment to innovation, sustainability and quality, the results have been remarkable. EcoSeaTile products now include gift items such as coasters, wine stoppers, travel mugs, card holders, paperweights and magnets. Home accents include switch covers, drawer knobs, towel racks, picture frames and Christmas ornaments. We offer a stunning range of looks and now use 17 distinct recycled materials and that number is growing all the time. We truly are committed to creating recycled beauty for your home.

Wine Stoppers

Just by picking up one of our wine stoppers you can feel the quality and hand finishing that created this product. Our wine stoppers are a wonderful hostess gift or the perfect present for "the guy who has everything." Silicone gaskets and thick chrome plating over zinc alloy provides a rugged piece that can easily be cleaned and will provide many years of enjoyment. We also offer a simple Lucite display stand which holds up to 6 wine stoppers. These exquisitely proportioned stoppers are 4 1/4" in length with a head diameter of approximately 1 1/2" and weigh nearly 4oz.

Wine Stoppers are available in green abalone, golden abalone, mussel/blue abalone, lobster, mussel/lobster, oyster, mother-of-pearl, aluminum, copper and brass.

SeaCoasters

Capturing the natural beauty of shells as well as the luminescence of metal cuttings, these materials are set by hand in a clear, resilient epoxy resin to create our 4x4 coasters. A thick cork backing is added to keep table surfaces safe. Large shell and metal fragments produce a remarkable sense of depth in the coasters and create a stunning look for your home or office.

Coasters are available in all 17 materials. Coasters are packaged in sets of 4 and come in recloseable transparent boxes.

Retail Price: \$30

Coaster Sets

EcoSeaTile offers coasters in sets of 4. A set can be all the same kind or one of our collections:

Mussel, Oyster, Lobster, Scallop

Pacific Collection

Mussel/Blue Abalone, Clam, Mother-of-Pearl, Mussel/Mother-of-Pearl

EcoMetallic Collection

Aluminum, Copper, Brass, Titanium

Customized Coasters

EcoSeaTile can create customized coasters with images, text and even small objects. We can also customize picture frames. Contact us directly to discuss your particular requirements.

Travel Mugs

The most frequently requested new product from our existing customers has long been a travel mug. After examining a number of potential designs, we finally found a mug that was up to our standards containing a stainless steel inner sleeve and a clear tough plastic outer case with a pressure-fit no leak top that will stand up to rigors of daily travel. We are truly delighted with the results and we know you will be too.

Travel mugs are available in mussel, lobster and a mussel/lobster combination.

Retail Price: \$16

Card Holders

We are constantly on the lookout for interesting, unique designs that can showcase the natural beauty of our materials. The two cardholder designs that we are introducing originated in Australia and Viet Nam. Of course these are 100% made in the USA at our workshop in Kennebunk, Maine. These unique designs are a wonderful addition to your desk or counter and make a perfect gift for that hard to please guy. These card holders are also great for displaying post cards and small format prints. The two designs include a 1-piece clamshell format and a 3-piece rolling cylinder format.

Card holders are available in mussel, lobster, mussel/lobster, mussel/blue abalone, mother of pearl, aluminum and brass.

Drawer Knobs

EcoSeaTile drawer knobs present a great finishing touch for your new cabinets or a great way to spruce up existing cabinets. Our drawer pulls also provide an easy way to extend a shell motif from a tile installation or a simple way to add stunning accents to existing kitchen, bathroom or other cabinets. The knobs are approximately 1 1/2" in diameter and 1" high.

Drawer knobs are available in our complete array of shell scrap metal combinations.

Retail Price: \$12

Paperweights

Truth be told, if simple economics were the deciding factor we probably wouldn't even offer our paperweights, as the material costs for us are fairly high. But, to be consistent with our philosophy we had to find a way to make use of the waste epoxy resulting from the process of dipping our wine stoppers and drawer pulls to achieve their glass-like finish. As a result, we created our paperweights to utilize the epoxy left over from our dipping process. Both heart and dome paperweights are available on a limited basis.

Paperweights are available in mussel, lobster, mussel/lobster, mussel/abalone, mother-of-pearl and oyster.

Retail Prices:
Heart - \$15
Dome - \$17

Ornaments

The newest addition to our product family, our Christmas ornaments have a glass exterior with either shells or metal fragments affixed to the interior of a glass ball that is approximately 2 1/2" in diameter. Although primarily opaque, they will let some light through for a dazzling effect on your Christmas Tree.

Ornaments are available in mussel, lobster, mussel/lobster, mussel/blue abalone and clam.

Magnets

Taking a page out of our “coaster playbook” we have created a beautiful collection of refrigerator magnets using our 2x2 tiles with a powerful magnet attached to the back. Magnets can be purchased individually or as packaged sets including our Atlantic Collection (mussel, lobster, scallop, oyster), Pacific Collection (abalone, mother-of-pearl, a mussel/abalone, mussel/mother-of-pearl), and EcoMetallic Collection (aluminum, copper, brass, titanium).

Individual magnets are available in mussel, lobster, scallop, oyster, mussel/lobster, abalone, mussel/abalone, mother-of-pearl, mussel/mother-of-pearl, aluminum, copper, brass, and titanium.

Retail Price (bulk): \$5 (each)
Retail Price (Set of 4): \$20

Frames & Mirrors

This is another one of those ideas that our customers have been clamoring for. Like our other products, our picture frames display a glossy finish and a depth which really emphasizes the natural beauty of the materials used. The frame backs and glass are also manufactured in the USA and allow for both portrait and landscape display.

Picture frames are available in mussel, lobster, mussel/lobster, oyster, scallop, mussel/blue abalone, clam, mother-of-pearl, aluminum, brass and copper.
